Amazing tour

11 Oct 2018

Had a great time visiting the Mekong Delta. All the activities were fun, learning how coconut candy, pop rice and noodles are made. Listening to some traditional music. Also travelling on a row boat. Visiting the floating market Cai be-Vinh was excellent, seeing how the locals trade on the river was fascinating. We tried fruit and very delicious noodles and coffee. Our tour guide Khanh was brilliant. Very informative and enthusiastic. The driver Khiem was safe and efficient, the van was nice and cool which is what is needed in such tropical heat. All of the food provided was very good. Very interestingly the city of Can tho flooded while we were there which was crazy to witness. People continuing to get about on mopeds through the ?floating city?. Would highly

Great Cai Be - Vinh Long tour, informative, on time, local fruit market

Our Cai Be - Vinh Long tour (in Mekong Delta) was simply great: kind & informative guide (19 Dec), good bus & boat across the delta, many demonstrations about how many things you can make from rice and how the people live. You can taste samples and buy only if you want. Not pushed. Great boat trip on medium & large channels to understand better the delta. 40min. to explore Vinh Long market with the most fresh fruits and vegetables, and the cheapest ones! Make your shopping there for a few days! Not felt we are almost 40 people in group!
